uni bundles

Albion's go to range of general office chairs has been the Uni range since 2006. Through the ensuing decade and beyond, Uni has kept responding to our dealer customer's input, who in turn have been informed by a savvier and more demanding end user whose need for functionality and greater value for money and ever-changing working practices have resulted in its continuous advancement. In the face of severe cost pressures over the same time we have managed to restrict price increase by sourcing the best components from all over the world (60% from UK manufacturers, 30% from mainland European and the remainder from Taiwan) .

quality and warranties

All Albion swivel chairs are FIRA tested to severe contract use. Our standard warranty is for 8 hours a day, 52 weeks a year for 5 years based on single user occupancy up to 120kg (19 stone).

No. OF USERS	No. OF HOURS PER DAY	ANNUAL HOURS	WARRANTY PERIOD 10,000 HOURS
SINGLE	8	2,000	5 YEARS
2+	24	6,240	1.5 YEARS

The OverWork/OverWeight option (OW) is an extended warranty and can be added to provide an additional 6 months for non-standard use. Non-standard is more than 10 hours up to 24/7, is more than one person using the same chair and user(s) over 150kg etc. The Grande chairs have been designed to accommodate users up to a maximum weight of 190 kg and are based on 8 hour a day use by one person (not multi user application) for a five year period.

If you do need to report a problem with a chair it is now a lot easier to identify by taking mobile phone photographs of the chair and part or parts in query and will make resolving any problems a lot more efficient No warranty claims will be considered without our unique warranty number which will be found on the underside of our chairs. **No label no warranty.**

Fabric selector
Our main provider of fabrics is Camira Fabrics. Camira offer two vinyl alternatives (Vita and Marvel) as well as a comprehensive selection of bull hides from their Vintage range. We can also provide options from Panaz or Chieftain for vinyls, PVC's and faux leathers as well as Yarwood, Bridge of Weir et al for leathers. Prices may vary depending on suppliers and metrages so please check with the sales office for any non Camira fabric requests.

Fabric selector
If you need hospital friendly alternatives the main choices are Camira's Vita, Manila, Halcyon and Intervene.
