PERPETUA Range: 24 Hour Multi-Shift Pattern Seating

Perpetua provides a range of operator, task and management seating with a choice of medium, high or extra high backs for 24/7 use.

The key feature on top of the **quality and robustness** of the build is our quibble free top to toe guarantee for **5 years of 24/7 use**.

Each chair has a heavy duty 6 star base, is upholstered in 400,000+ rub tested 24/7 fabric on plywood, has a 150kgs rated gas lift, is configured with our Heavy Duty (HD) mechanisms and comes with a choice of height adjustable or spring steel insert flexi-arms.

Typical usage environments include control rooms, call centres and security guard areas but can be used in any heavy-duty area.

See also the Grande range and SD6.
