

## Reflex Range Modular Seating

Three style options  
with matching  
tables

**SR1LP/SR1/SR5M/SR1/SR1RP**

The REFLEX modular seating range has 3 styles and can be used in many combinations to suit the space available. There are straight, convex and concave seating units, square and rounded tables with glass or melamine tops and corner units. We offer three styles of arm. The frames are very strong and durable with plywood and solid wood being used. Deep foam provides extra comfort, all in a choice of plain upholstery, quilted stitch detail upholstery and double front detail.
