Reflex Range Modular Seating

R1LW/R1/R4/R1/R1/RX1/RX3/RX3/RX3/RX1RB

The REFLEX modular seating range has 3 styles and can be used in many combinations to suit the space available. There are straight, convex and concave seating units, square and rounded tables with glass or melamine tops and corner units. We offer three styles of arm.

The frames are very strong, and durable using plywood and solid wood and deep foam provides extra comfort, all in a choice of plain upholstery, quilted stitch detail upholstery and double front detail.
