Oskar Tub Reception Seating

Two new models have been introduced in the Oskar range of high quality tub chairs and sofas - the Oskar 6 and Oskar 8. With strongly constructed solid wood and plywood frames, these 2 additions accommodate a price sensitive and a height adjustable swivel version to the already flexible tub chair range. The Oskar 6 also offers a 2 seater version. The Oskar 2 series offers writing tablets and showwood facias. A wide choice of fabrics, vinyl, faux leathers and leather upholstery is available.
