SPYNAMICS Ergonomic Back Care Chairs

Everyday Back Care Chairs

The rounded back style SPYNAMICS models provide an effective 'Access to Work' seating solution; where a comfortable, supportive and adjustable 'bad back chair' is required

- Heavy duty 6-way adjustable mechanism provides correct posture and personalised support
- 5 year warranty/8 hour daily use by up to 23.5 stone users (150kg) for single user application
- Overwork/overweight warranty available for 3 shift pattern use and users over 23.5 stone
- Seat height min/max adjustment range meets the FIRA Ergonomic Excellence Award criteria
- Comfort and support enhanced by a memory foam seat
- Choice of 3 contoured backs, with 2-way built-in variable lumbar support
- 4-way adjustable arms fitted as standard, other arm options are also available
- Optional coccyx cut out option available as well as a selection of other seat sizes
- Memory foam backs and an adjustable memory foam headrest are among the optional extras
- See the SPYNAMICS Sellers Guide for the full range of options
